# why work with MTS?

## Our Motto is: “more for less”

MoreThanSpaces vision is to be the ‘Uber’ of the tradeshow industry; friendly, fast, fresh – and for a fair price.

### fresh and friendly service:

We don’t service clients in a cold and old-fashioned way. We give friendly and fast service – personalized to you and your client’s needs.

### easy

**We take care** of the part you give us from A-to-Z. Period. And with 1 (ONE) point of contact. Never any switchboards. You get the direct cell phone number to your own friendly project expert.

### Quality, design & aesthetics:

Quality is everything – it’s what we live and breathe for. Our internal state-of-the-art architecture and graphics design department create sleek and modern designs, that will impress even the most picky client.

### trusted

We have **15+ years of experience** and have been trusted by the world’s largest brands and Fortune500 companies. And you can trust us to look good in front of your clients.

### economical

We provide the best prices in town. And for sure the best value for money!

**Talk to us about your vision and expect more while saving time, frustration and money.**
