

## timeline

**MoreThanSpaces is here for you.**

**We are here to make it easy for you! On time and on budget!**

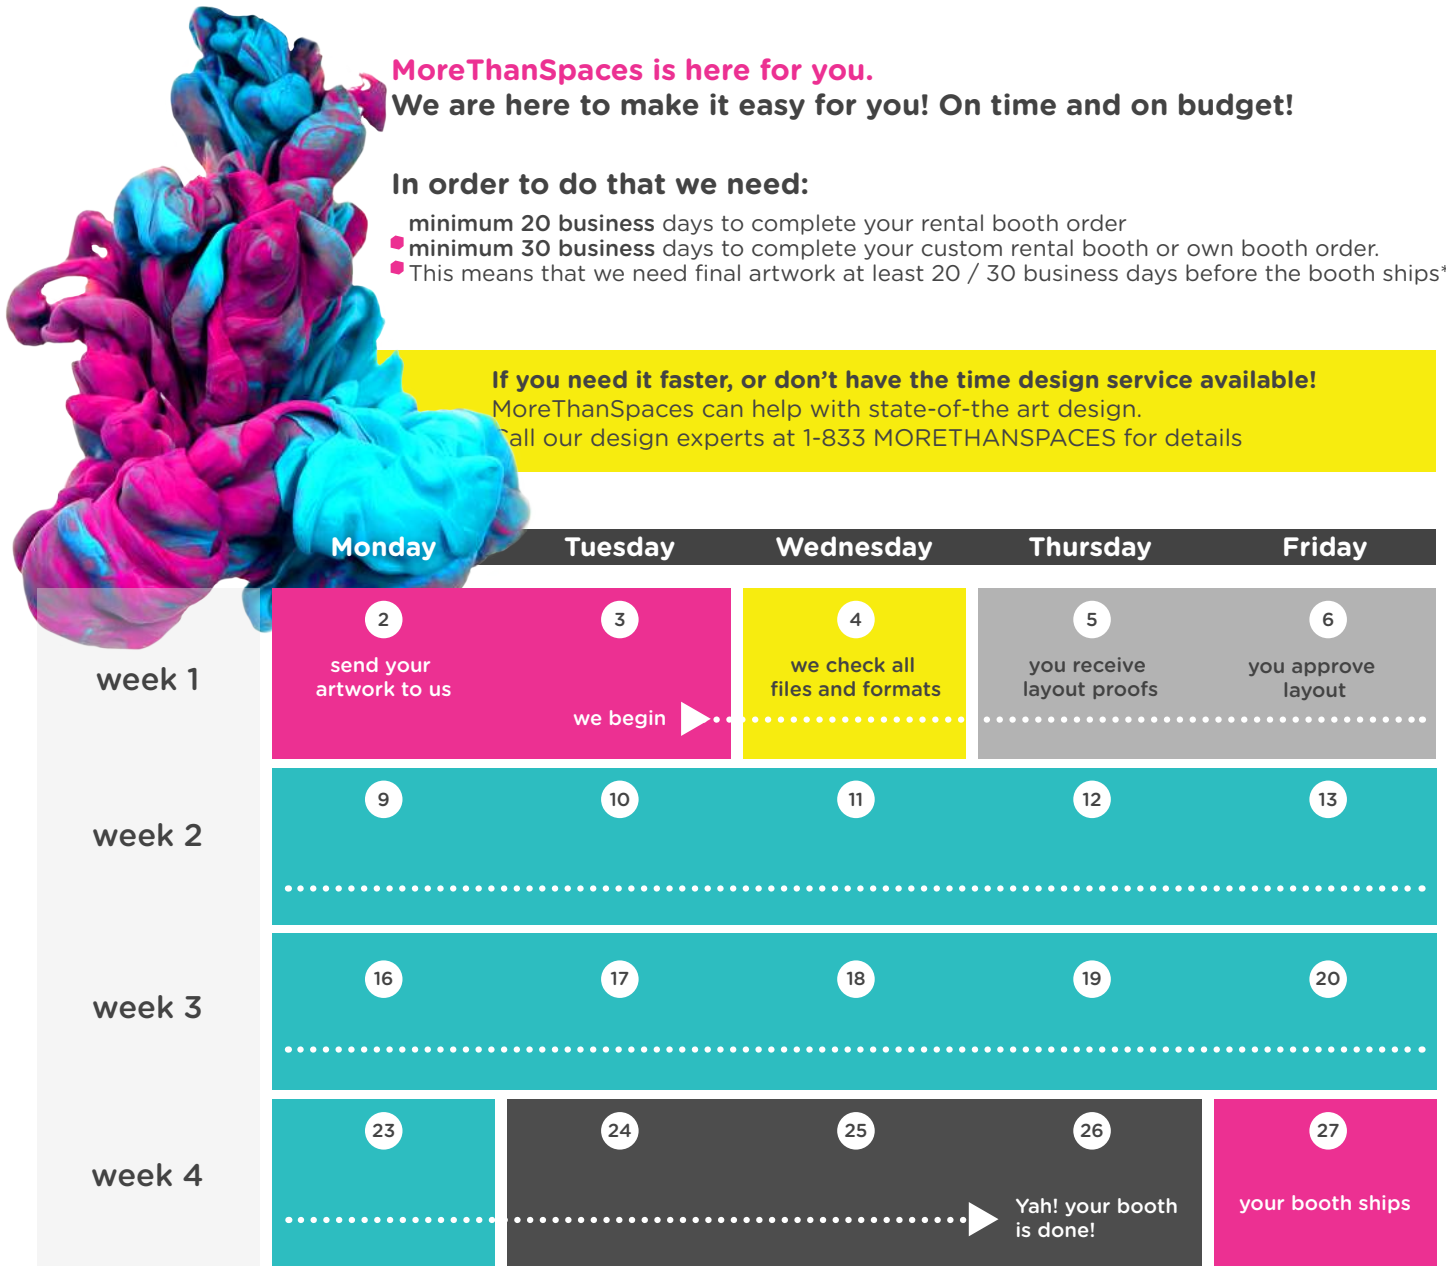

### In order to do that we need:

- minimum 20 business days to complete your rental booth order
- minimum 30 business days to complete your custom rental booth or own booth order.
- This means that we need final artwork at least 20 / 30 business days before the booth ships\*

**If you need it faster, or don't have the time design service available!**

MoreThanSpaces can help with state-of-the art design.

after this day rush fees

you get digital layout proof for how your graphics will be printed

request changes - may add to production time

we work hard for you

we make a 'final fitting' to make sure your booth looks great!

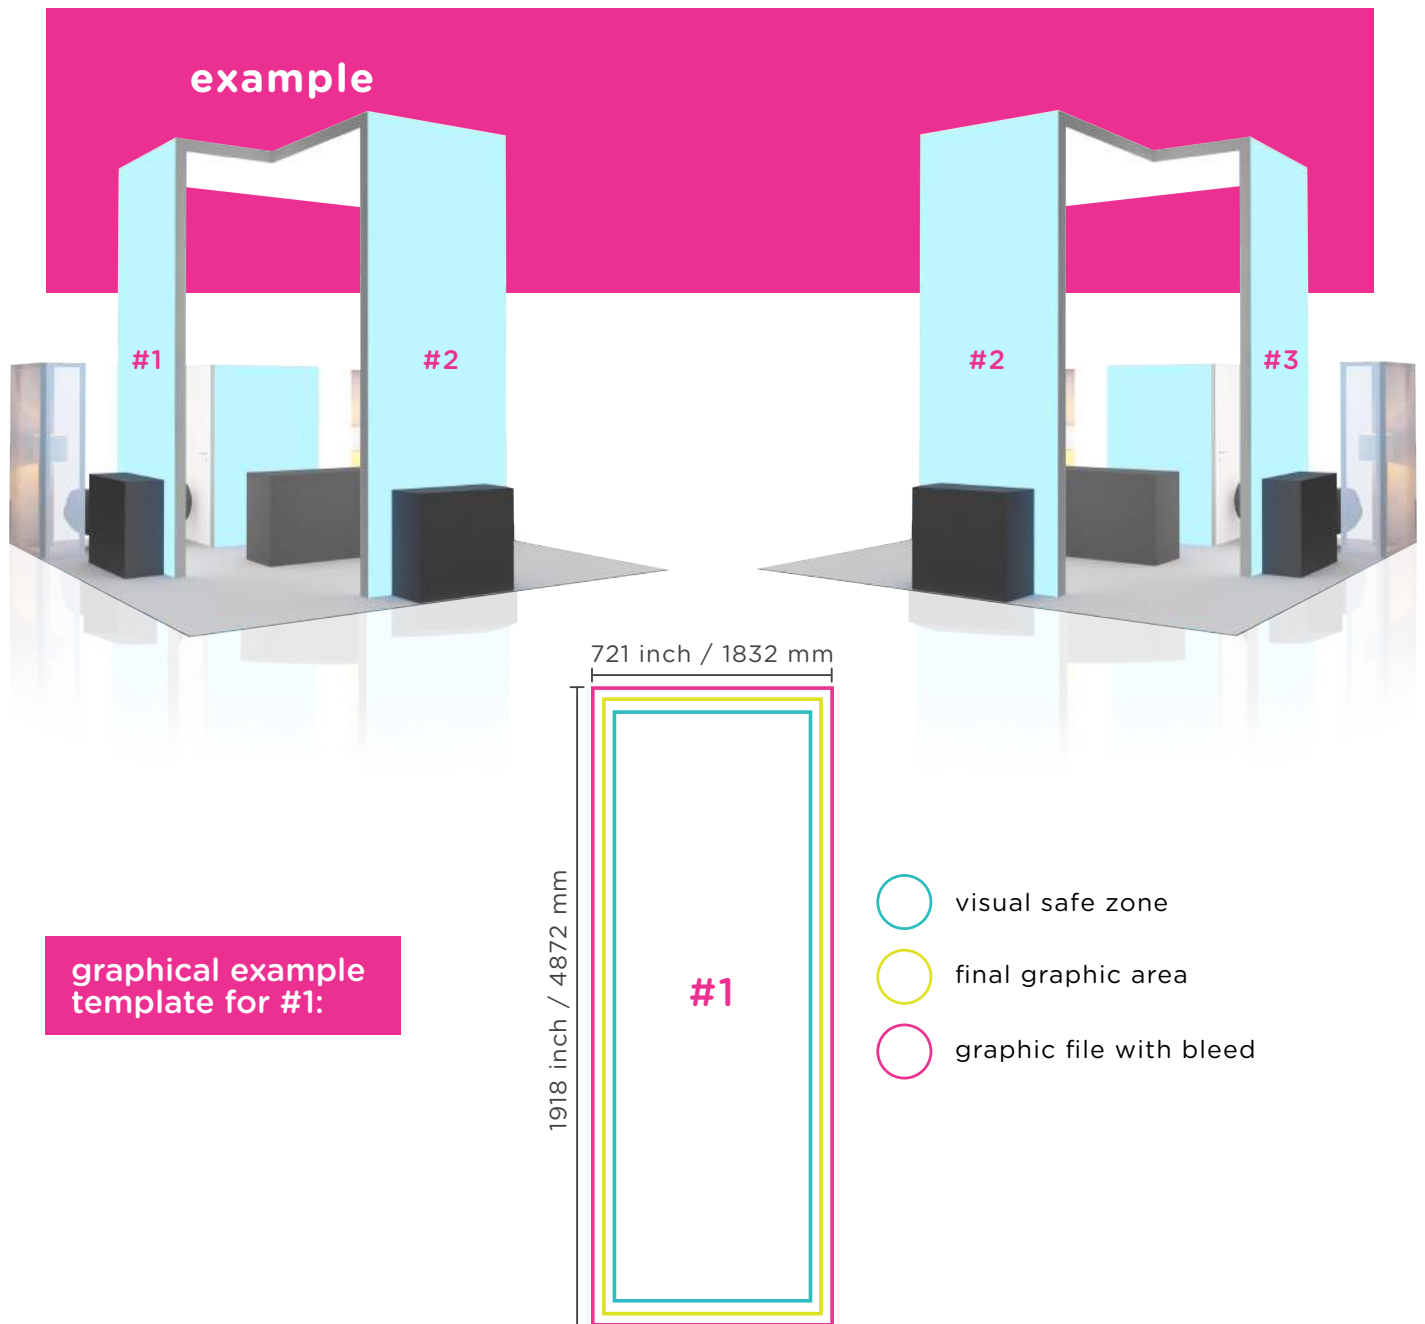

\*) Unfortunately, any error in files regarding images, font, file types, sizing, resolution etc., that will require change to the final artwork, after the 20 business day mark, will result in rush fees: 30% of 14-19 days before, 50% of 9-14 business days, if less than 9 business days 75% of total graphic cost.

## specifications

MTS sends you a 3D layout with individually numbered panel and a graphic template for each panel to make it as easy as possible.

**It is very important** (to avoid delays and rush fees) that:

- each all artwork is exactly provided as specified.
- you submit one file for each graphic panel and title it.
